

Advertising Secrets: Essential Advertising Tips That Advertising Sales Reps Prefer You NOT To Know (Marketing Magician Practical Guides Book 1)

This book became an Amazon best seller, in less than a week, on Amazons com, .ca, .co.uk, .de, .fr sites. It also sold very well in countries like India and Spain. All these people cant be wrong .. so discover what made these people buy this international best seller. Advertising has been with us for years. It probably started as words written on the wall of a building (or maybe cave) that shouted out what you could expect inside. Later it moved to the printed word and more recently has gone online. People can almost be forgiven for thinking that advertising is the same as sales and marketing, but of course it isnt. Despite having an enviable pedigree and being potentially very powerful Im sad to report that Today Most Advertising Does NOT Work. But it CAN If you apply the Marketing Secrets contained in this book . Apply these secrets and ensure your advertising really works every time. That your advertising is cost-effective and delivers an incredibly good return on investment (ROI) every time. What is more, you will be far more productive than your competitors and will beat them at every turn. It means that you can now compete with the biggest players in your sector and can easily beat them with techniques and strategies they dont even know about or ever try.
