

Eye Wonder: Horses and Ponies

A winning combination of information on horse care and riding, along with anatomy, behavior, and the history of these beautiful animals come together in Eye Wonder: Horses and Ponies. See a horse's skeleton, learn how a horse talks, enjoy a day at the races, and learn about different styles of horse riding. A precursor to DK's award-winning Eyewitness series, Eye Wonder was specially developed for children aged five plus, featuring astonishing photography exhibiting subjects within their natural setting, offering a whole new level of information through powerful images. The vocabulary is accessible to young readers, with the meanings of new, subject-related words clearly explained. Reissued with a new jacket and eight new pages of mazes, look-and-finds, quizzes, and interactive activities, the new generation of Eye Wonder will capture readers' imaginations and give them a reason to delve even deeper into each book. Supports the Common Core State Standards.
