

Mr. Green and Mr. Blues Party at the Zoo

What would happen if animals in a zoo had a party? Mr. Green and Mr. Blue loved animals and decided it would be fun to treat the animals a party in the zoo. This is a wonderful rhyming story about how it might be if a party was held for all the animals living the zoo. It was a great day for all who were attended and even more fun for Mr. Green and Mr. Blue. This story offers an inside look at the fun to be had when the animals were free to roam and play together. It describes the activities of the different animals as they celebrated the fun and excitement with beautiful illustrations by the authors aunt, Beth Dupree, who gave each animal their own character and expressions.
