

Atlas Biblico Conciso Holman (Spanish Edition)

El Atlas Biblico Conciso Holman se caracteriza por 36 mapas que brindan un conocimiento mas claro de la geografia biblica al lector. Como Palabra escrita de Dios, la Biblia es relevante para gente de todos los tiempos y culturas. Sin embargo, los eventos biblicos ocurrieron en tiempos muy alejados de los nuestros, y es necesario familiarizarse con los contextos de esa epoca. En este atlas a todo color contiene, mapas con las fronteras actuales de la vieja Palestina, los patrones de clima de Canaan, mapas de los viajes de Abraham y otros eventos del Antiguo Testamento hasta el exilio. Ademas se incluyen mapas sobre la vida y el ministerio de Jesus, los viajes misioneros de Pablo, las siete iglesias del Apocalipsis, otros hechos importantes del Nuevo Testamento, como asi tambien un indice completo que facilita la ubicacion de lugares en los distintos mapas del atlas. Atlas Biblico Conciso Holman features 36 maps that provide the reader with a clearer knowledge of geography in the Bible. As Gods written Word, the Bible is relevant to people of all times and backgrounds. However, Bible events took place in times very different from ours, and it is important to become familiar with the geographical contexts of that age. For instance, in this full-color atlas there are maps with the current borders of the Old Palestine, Canaans weather patterns, maps of Abrahams journey and other Old Testament developments up to the Exile. Other maps about the life and ministry of Jesus are also included, along with Pauls missionary trips, the seven churches of Revelation, and other significant New Testament events, as well as a comprehensive index that enables the reader to easily locate sites on different maps in the atlas.
