

Fact or Fib?: A Challenging Game of True or False

True or false? Real or fiction? FACT OR FIB? Find out about science and the world around us ... all by playing a game! Each book in this brightly illustrated and entertaining new series gives kids (and adults, too!) lots of chances to test their smarts. How much do you know about dinosaurs, bugs, and animals? Play a round of Fact or Fib and find out! Stegosaurus had the smallest brain of all the dinosaurs. An ant can lift a ladybug. There are about four million dogs in the world today. Which of these is true and which isn't? Each fact or fib features three statements but only two are totally true. Make your choices, turn the page, and see whether you're right or wrong, along with more cool facts about the topic.
