

Covered Call Writing: How to Ramp Your Investment Returns and Minimize Risk with Covered Call Options

How To Use Covered Call Options To Ramp Your Investment Returns And Minimize Risk-- Detailed, Step-By-Step Examples Included In this book, you'll learn how easy it can be to use a covered call writing strategy to significantly increase your returns, protect your positions from loss, and even generate consistent investment income. Here are some of the specifics you'll learn... - How covered calls can ramp your investment returns-- Chapter 1 - What exactly a call option is-- Chapter 2 - The concept of a naked call and how it differs from a covered call-- Warning! If you don't understand the difference between these concepts, you could end up losing unlimited amounts of money-- Chapter 3 - Exactly how covered call writing works, including a detailed, step-by-step example-- Chapter 3 - How call options affect dividends-- Chapter 3 - How to use covered calls as a form of insurance to protect your existing trades from loss-- Chapter 3 - A complete in-depth example of a covered call strategy in action-- this example will walk you through exactly what happens when you write a call and all the possible outcomes-- Chapters 4 & 5 - Why this is a very low risk way to increase investment returns-- Chapter 7 - And much much more!
