

FLYTE: faith. life. together. Volume 1 - Leader Guide

Flyte: Leader Guide Volume 1 encourages preteens to come up with answers to some of the most difficult situations they may face. Guided Bible study pages keep preteens interacting with Scripture as they learn how Gods view and the worlds view of a particular subject is not the same. Situational studies enable preteens to identify with concepts and scripturally based activities keep them interacting with the world around them.
