

Getting Through The Muck: Personal Stories Of Overcoming Hard Times

When things are great, life is easy. We're happy. When things are tough, it can feel like we're going through never-ending sludge. We can feel miserable, beaten up, and powerless. It's not fun. But the thing is, in the long run, tough times are often some of our most fortunate. Breakdowns make room for breakthroughs. There's a lot to be learned through adversity. In this book, you're going to see how other people went through some unimaginably horrific times and got through them better off. The intention of Getting Through The Muck is for you to feel inspired, motivated, and find a deep knowingness that you can get through anything.
