

Give Sorrow Words: Maryse Holders Letters From Mexico

One woman's shocking descent into a provocative world of lust and danger. As Maryse Holder's letters explore the last, eventful months in her life, they speak directly to the reader, forcing us to confront the pain, and even sometimes the passion, of living on the very edge of life, to the end. With exclusive new Foreword by Edith Rubin Jones, the friend who received Maryse Holder's letters from Mexico, edited them, and arranged the posthumous publication of Give Sorrow Words.
