

The Saggy Baggy Elephant (Little Golden Book)

After a parrot makes fun of Sookis big ears, long nose, and wrinkled skin, the saggy baggy elephant isnt too sure of himself. But once he meets some beautiful creatures who look just like him, Sooki celebrates with a joyful one-two-three-kick. For over 50 years, parents and children have treasured this tale, with gorgeous art by Gustaf Tenggren, the illustrator of The Poky Little Puppy.
