

Lone Wolf (Wolves of the Beyond, Book 1)

Bestselling author Kathryn Lasky's *Wolves of the Beyond*, the stunning new spinoff from the legendary *Guardians of Gahoole*, is now in paperback! A wolf mother has given birth, but the warm bundle snuffling next to her brings only anguish. The pup, otherwise healthy, has a twisted paw, and the mother knows what the harsh code of the pack demands. Her pup will be taken from her and abandoned on a desolate hill. The pack cannot have weakness - the wolf mother knows that her pup is condemned to die. But alone in the wilderness, the pup, Faolan, does not perish. This is his story - a story of survival, of courage, and of love triumphant. This is Faolan's story, the wolf pup who rose up to change forever the *Wolves of the Beyond*.
