

## Los Gatos Black on Halloween

Follow los monstruos and los esqueletos to the Halloween party Under Octobers luna, full and bright, the monsters are throwing a ball in the Haunted Hall. Las brujas come on their broomsticks. Los muertos rise from their coffins to join in the fun. Los esqueletos rattle their bones as they dance through the door. And the scariest creatures of all arent even there yet! This lively bilingual Halloween poem introduces young readers to a spooky array of Spanish words that will open their ojos to the chilling delights of the season. Los Gatos Black on Halloween is a 2007 Bank Street - Best Childrens Book of the Year, the winner of the 2008 Pura Belpre Medal for Illustration and a Pura Belpre Honor Book for Narrative.
