

Marsupial Sue Book and CD

If you're a Kangaroo through and through, Just do what Kangaroos do. Young Sue really doesn't like being a kangaroo, so she goes off to find something better. First she tries climbing the trees like a koala, but that doesn't work. Then she wades into the sea like a platypus, but that's no good either. Finally, Sue joins up with some bouncy, jouncy wallabies...and discovers that being a kangaroo isn't so bad, after all. Using a jaunty waltz rhythm, actor, comedian, and best-selling author John Lithgow reassures children that they can be happy with who they are. For listening or singing along, a CD of a John Lithgow performance of Marsupial Sue and an instrumental version is included with this book, as is the score of the song.
