

Moby-Dick: Candlewick Illustrated Classic

Welcome two new Candlewick Illustrated Classics! These collectible editions bring treasured stories to life with lavish full-color interior illustrations and elegant French flaps. Jan Needle abridges Herman Melville's epic to focus on the intensely dramatic story of Captain Ahab's ill-fated quest for the white whale, while Patrick Benson's powerful illustrations evoke the lost world of whaling in enormous detail. A compelling invitation to readers who may one day explore the full text of Moby-Dick.
