

## Vermeers Secret World: Adventures in Art (Adventures in Art (Prestel))

Scenes of domestic life and luminous color make Vermeers art both accessible and irresistible. Designed and written to appeal to young readers, this engaging introduction to the Dutch master encourages children to experience the charm and mystery of Vermeers work. Large, vibrant reproductions allow for a close study of the fascinating details that make Vermeers paintings so compelling and allow the colors for which he was so famous to leap off the page. While recent books and movies have brought Vermeer into the forefront of popular culture, this lively and informative book introduces the artist to children.
