

Totally Sea Creatures (Totally Books)

With Totally Sea Creatures young oceanographers get a close look at sea creatures parts and how they connect together. The book includes easy, step-by-step instructions and the pieces to build five different creatures: an orca, a giant squid, a sea horse, a hammerhead shark, and a giant spider crab. The world beneath the sea comes to life as kids build each creature, then read along and learn fascinating facts about their lives and what makes each sea creature unique. This book offers a hands-on approach to learning about fascinating sea creatures.
