

My Giant Tractor (My Truckology)

The tractor is the hardest-working vehicle on the farm, and young boys will love learning about all the important jobs done by tractors and other farm machines. When there are tough tasks on a farm, tractors get the job done. Visit a busy farm and learn all about tractors and plows, seed drills, spreaders, harrows and more. The colorful illustrations, fact-filled text, and learning activities throughout the book will make farm fans feel as if they're right in the driver's seat of a giant tractor. And the die-cut handle lets kids take their tractor everywhere they go!
