

Seahorses and Sea Dragons (Undersea Encounters)

Filled with terrific photos, this book offers a good overview of these interesting creatures in a text that is accessible to many third grade readers. This is part of a small Undersea Encounters series all done by the same team. Other topics include Life in a Kelp Forest; Octopuses and Squids; Sea Turtle. New Jersey Library Association, Just the Facts: Nonfiction Trade Books for the Curriculum--Recommended book.
