

Little Croc (Pull-Out Pals)

Little Croc wants to become bigger, like the other jungle animals. When kids pull the ribbon on the very last page, Little Croc grows up fast! Children will identify with the animals who tell their stories in the charmingly illustrated Pull-Out Pals books because every little boy and girl wants to grow up and become big. Their wishes come true on the very last page. Kids pull a bright ribbon handle and a special telescoping page extends from the book to make the story here two feet long!
