

Haunted Memories (Saranormal)

In this second installment of a paranormal series, Sara is ready to fall in love if the ghost standing in her way will allow it! Sara has settled in to her new hometown of Stellamar and even made a good friend in Lily Randazzo. Now it's time to start school, and Sara has her first psychic vision. In the vision, she sees herself with a cute stranger and when she starts school a few days later, she meets him. His name is Jayden Mendes, and Sara knows with complete certainty that he is destined to be her first boyfriend. But there's something else Sara knows about Jayden: He has a ghostly companion who stays by his side at all times. The ghost seems intent on keeping Sara and Jayden apart. Who is this ghost, and what is his problem with Sara? What secrets does Jayden hold and will these secrets keep Sara from falling in love?
