

Toothless:The Adult Gourmet Soft Food Cookbook

**Toothless:The Adult Gourmet Soft
Food Cookbook**

©Jane Curwood 2011

With visions of roast beef, barbecued steak, and raw broccoli dancing before my eyes, I embarked on my implant journey, and was immediately faced with the realities (albeit temporary) of life with soft food. At first, I just grinned and bore it. Then, I got ticked. Then, I got busy. After a year of experimentation (and 2 destroyed blenders), Toothless: The Gourmet Soft Food Cookbook came into being. Toothless is split into two sections: Soft-Soft and Soft-Firm. It has 60 tested recipes and I am still adding new ones. Most of these recipes have now become staples in my new toothful life, as well as favourite pates and soups of family and friends. I have strived to create recipes that emphasis nutrition, mildness and are still tasty. Enjoy.
