

The Rallying Imprezas

Subaru Imprezas are among the most charismatic and successful rally cars ever made. A unique partnership between the innovative Japanese car manufacturer and the renowned British motorsport company Prodrive has transformed Subaru from an obscure producer of ungainly cars into a performance icon. Enthusiasts worldwide have been won over by the victorious Impreza rally cars, which have spawned a series of must-have road cars. Top rally journalist David Williams analyzes the Impreza magic - the cars, drivers, team culture and results.
