LIMITED TIME SPECIAL: Get This Audiobook for FREE! That's right...For a limited time you can download a FREE mp3 Audiobook version of our new Frog and Zog Book for Kids, The Adventures of Crog and Zog. Follow the The Adventures of Crog and Zog - an illustrated frog prince book for children. Frog Toad adventures will keep your child delighted as this precious frog tale unfolds. In The Adventures of Crog And Zog In The Land Of Frogs And Toads, frog and toad are friends, teaching your children important lessons about getting along with those who are different from them. This story features the frog prince Crog and his friend, Zog, who decide that when frog and toad are friends, everyone's life is better off. In this delightful book, your child will stay on the edge of his seat while learning of the trouble that frog and toad get into throughout the pages of this book. Your young child will meet the friendly ducks who can make frogs fly, and learn about the thrills of adventure while our young stars visit the place where frog and toad all year live together. Because of the exciting nature of this children's book, like the other book in the frog and toad series, your children will learn that being brave enough to face the unknown can take them to marvelous places that they had only before dreamed of visiting. Emily A. Cabot goes all out in this frog tale, giving children the opportunity to learn important lessons while remaining safely within the realm of comfort for a children's frog prince story. Since frog and toad are friends in this book, your children are introduced to the always challenging concept that just because you are different from someone else doesn't mean that you can't be friends. Within this second book featuring the frog prince Crog, your child will be delighted with colorful drawings and playful illustrations that bring the frog and toad drama to life in your hands. Your child will

want to read about frog and toad all year long, quickly becoming one of their favorite tales to be told at the bedtime setting. As frog and toad together gives the story a feeling of unity and delight, your child will fall in love with these playful characters from the frog and toad series all over again in this newest adventure. The time spent with your child reading these tales will create fond bedtime memories that your child will cherish for the rest of their lives. Don't delay, get your copy of this tale of frog toad today, and open your child's mind to the delights and wonders of the imaginative world of Emily A. Cabot's delightful story.
