

The Little Brainwaves Investigate: Human Body

Following on from the award-winning Brainwaves books for older children, DK introduces a brand new series for younger kids, featuring the Little Brainwaves. In each book, the illustrated Little Brainwaves characters poke, prod, and peer at their photographed subjects, providing an appealing and original way for kids to learn about an amazing variety of topics. In *The Little Brainwaves: Human Body* young readers can explore the world of the human body, shrinking down to a truly tiny size to examine us inside and out.
