

## Wet Dog!

On a hot, hot day, a good old dog just has to get some relief! Around the steamy country lanes, he sniffs and searches until he finds a chauffeur washing a shiny car, a baker scrubbing some sticky pans, and a florist spraying a pink bouquet. They're all getting ready for a country wedding, and this overheated pup just wants to plunge into the fun—and water! But will the wedding party in their fancy finery welcome this gotta-be-cool pooch? Zany characters, zingy lines, and high-spirited scenes abound in this witty and affectionate story by author Elise Broach and New York Times best illustrated book Award winner David Catrow.
