

Why Arent My Books Selling? Everything You Didnt Know About Self-Publishing and How to Make it Work

There are countless books out there detailing simple ways to promote your book. And they just dont work that effectively. They are not original ideas and everyone is using them. And, they are using them wrong. The author will give you ways of promoting your book that you have never seen before, and it does what no other book does... It gives you a comprehensive strategy to overcome everything you are up against as a self publishing author.
